Mr Friend visited Public Affairs with several proposals. Most of his intentions appear too intrusive however I left the door for a photo/news opportunity open. He left for you the attached

Dear David:

Bill Baker advises me that he had a good talk with you about the possibilities for a feature photo-news article concerning the CIA. We will explore these possibilities and I know that you and Bill will keep in touch.

I do want to thank you for the book depicting the first 50 years of LIFE magazine. Many memorable experiences crossed my mind as I reviewed the outstanding photographs and narrative.

Sincerely yours,

/s/ William H. Webster
